

## Firwood Thinners, cleaners & additives

THINNERS	TYPE	PACK SIZES	FLASH POINT
<a href="#">Firwood 67 Thinners</a>	Mixed Aromatic Hydrocarbons	5 litres	30°C
<a href="#">Firwood 113 Thinners</a>	Aromatic Hydrocarbons	5 & 25 litres	24°C
<a href="#">Firwood 114 Low Odour Thinners</a>	Aliphatic Hydrocarbons	5 litres	38°C
<a href="#">Firwood 115 Thinners</a>	Mixed Alcohols	5 litres	25°C
<a href="#">Firwood 117 Thinners</a>	Mixed Alcohol & Hydrocarbons	25 litres	25°C
<a href="#">Firwood 119 Thinners</a>	Mixed Alcohols	5 litres	33°C
<a href="#">Firwood 143 Thinners</a>	Aliphatic Hydrocarbons	5 & 25 litres	35°C

Customers are advised to refer to the relevant paint Technical Data Sheet for confirmation of the correct thinners for each product. The quantity of thinners required will vary from one product/colour to another and the temperature at which the coating is used. Over thinning of paints will cause runs to appear and reduce the protective properties of the material.

GUN CLEANER	TYPE	PACK SIZES	FLASH POINT
<a href="#">Firwood 133 Gun Cleaner</a>	Mixed Alcohol & Hydrocarbons	5 & 25 litres	25°C
<a href="#">Firwood 116 Aqueous Paints Gun Cleaner</a>	Mixed Glycols	5 litres	65°C

This gun cleaner combines the properties of a number of varying solvent types designed for the cleaning of spray guns and ancillary equipment.

The build up of dried chemically cured two pack paint must be avoided as solvents will only have a minimal effect on them.

Specially produced for the cleaning of spray gun equipment that is used for water borne paints where washing with water alone is insufficient to fully clean the equipment. Compatible with most water borne paints.

ANTI-SILICONE ADDITIVE	PACK SIZES	FLASH POINT
<a href="#">Firwood 173 Anti-silicone Additive</a>	1 litre	Not Applicable

Use to overcome light silicone contamination of steel by the addition of approx 25-50 ml of the product to 25 litres of paint (0.1-0.2% by volume). This helps overcome pin holing of the paint film due to contamination of the substrate.

Not for use with hammer finish or water borne paints

DEGREASER	PACK SIZES	FLASH POINT
<a href="#">Firwood 110 Cleaning &amp; degreasing fluid</a>	5 litres	>100°C

Powerful cleaning fluid for the effective removal of greases, oils & lubrication fluids prior to painting as well as general purpose cleaning applications. Solvent free. Complies with the requirements of the EC Detergents Directive 2005-2004/648/EC. Suitable for use with pressure washers, damp mopping etc.
